Comments regarding 10/041,877 Fee Transmittal

I noticed that the PAIR Computer had an entry in this case that a requirement had been made for formal drawings, while the "Notice of Allowability" indicated that "The drawings filed on 22 October 2001 are accepted by the Examiner." I received the "Notice of Allowability" and "Notice of Allowance and Fees Due" together in the same envelope, and no other communication relative to this case has been received. A copy of the "Notice of Allowability" is enclosed herewith.

I checked with the examiner, Isis Ghali at 703-305-4048 on August 4, 2003 who confirmed that no formal drawing requirement has been made on this case.

If there is any problem please contact the undersigned attorney of record at 650-964-0665 or 510-785-8070 between 9 AM and 5 PM PDT.
